

## PRESS RELEASE

### INSPIRING WOMEN FOR 30 YEARS

**Women Welcome Women World Wide (5W) proudly celebrates 30 years of promoting friendship and understanding around the world.**

This global organisation, not only encourages friendships between its members, but also offers a safer and more enjoyable way to travel the world. The words of our members say it all, "It can be lonely travelling on your own, especially if you see something fantastic and want to turn round and say "hey look at that", but there is no one there. Have you ever sat in a lonely restaurant hiding behind a book? Well if you join 5W those days are over, you could be sitting in my kitchen having dinner beside the Aga, or looking at fantastic scenery with a friend. 5W is a great friendship organisation. When you join, so many doors will be open to you."

Many members simply enjoy the experience of corresponding with 5W friends, old and new, opening up whole new worlds without leaving home. In the words of a 5W member from the USA, "It is such a pleasure opening my mailbox and finding letters from around the world". With 5W you can also make new friends just around the corner, with local groups getting together in almost every area of the world. However they choose to use the organisation, 5W members all agree that it is a very special experience.

With almost 2,500 members in around 80 countries around the world, 5W continues to attract new members who welcome the opportunity to become part of this amazing network of friends.
